THE "PEACE CRUISE"  
CELEBRATING TRUMP-KIM HISTORIC MEETING FOR WORLD PEACE SINGAPORE

### SINGAPORE, 16TH MAY 2018

Tall Ship Adventures Pte Ltd., the owner and operator of Luxury Tall Ship Royal Albatross have today announced a special "Peace Cruise" to celebrate what is likely to become a historical milestone on the road to world peace IF the US and North Korean leaders meet in Singapore on 12 June 2018.

Peter Pela, CEO of Tall Ship Adventures explained; "Peace on the Korean Peninsula has eluded world leaders since 1950. With the recent developments of nuclear weapons in North Korea, the consequences of military escalation don't bear thinking about, so the significance of the summit cannot be understated. So much so, we feel it's a cause to celebrate should it go ahead; it will be after all a major step towards world peace by reducing the proliferation of nuclear weapons. Let's all pray the summit goes ahead!".

In celebration of this momentous summit and the culmination of the diplomatic efforts, the Royal Albatross, will depart Resorts World at Sentosa on a 2½ hour Peace Cruise on 12 June 2018 at 7pm. Pela continued "We hope peace supporters will join in our jubilation and capture this historic moment as we take you on a beautiful sunset sail along the southern coast of Singapore as we release white balloons out at sea from the upper deck accompanied by Soju and Western – Korean fusion buffet".
