About perromart

Since founded in 2016, perromart has been Singapore's leading online pet care retailer, dedicated to enabling the bond between pets and humans for a lifetime. With pet ownership nearly doubling across the world and the pet care industry booming, perromart has positioned itself as a digital-first pet supplies company, using data-driven insights to bring to its customers the widest range and lowest prices of pet products. Today, perromart has grown into an international brand in Singapore, Malaysia and Japan.
