

ABOUT SUNNY CHONG DOG TRAINING SCHOOL

Having trained more than 40,000 dogs since its establishment in 1998, ***Sunny Chong Dog Training School*** continuously provides positive and result-oriented dog training programmes.

Specialising in Puppy and Potty Training, Obedience Training, and Behaviour Modification, Sunny Chong Dog Training School is always ready to bring forward the best education through a clear and structured syllabus that guides both the owner and dog towards their goal. Headquartered in Balestier, the School ensures a clean and safe environment, complete with comprehensive facilities and services such as an indoor swimming pool and five school buses to reach all corners of Singapore.

Sunny Chong Dog Training School is an established brand supported by Pet Lovers Centre and sponsored by two world-renowned pet food brands – Science Diet and Fish4Dog.

ABOUT SUNNY CHONG 张似杰, FOUNDER AND PRINCIPAL OF SUNNY CHONG DOG TRAINING SCHOOL

Sunny Chong entered the pet industry as an independent dog trainer and was welcomed with immense support from the community. Sunny grasped the opportunity in 1998 to scale into a full-fledged school catered for dog training, built on customer satisfaction with his growing customer and fan base. Notably, he achieved another milestone in his journey – shifting his Headquarter to a 5,000 sq ft two-storey School in Balestier, with its training ground, customised to achieve the optimal results.

After more than 20 years in the pet industry, Sunny is also a highly sought-after animal talent consultant, from scouting to training and directing TV shows and commercials. He even conducts lifestyle activities to forge a closer owner-animal relationship, such as Yoga with Dog and Dancing with Dog, while finding time to give back to the community continuously.
